"Doing My Part"

ECSCA Field Trial Committee

Meeting Minutes

Tuesday, February 22, 2016

8:00 PM.- 10:00 PM Eastern Time

Members Present: Deb Strohl, Mike Schroeder, Vicky Thomas, Keith Meissner, Dennis Joannides, Terry Reckart, Pete Rizzo

- I. **Call to order:** A Call to Order was made at 8:02pm
- II. **Approval of Minutes:** Terry moved to accept the minutes and Mike seconded. Unanimously approved.
- III. **Approval of the Agenda:** Deb moved to approve the Agenda. Terry seconded. Unanimously approved.
- IV. **Unfinished Business:**
 - A. **Judges Criteria--(Background)** We received suggestions that the Judges Criteria, approved on 2/8/16, should be edited for grammar before circulating to the ECSCA BOD. A revised document was circulated to the FTC Committee for review. The content remained the same. A question arose, about the original document, concerning the requirement of combined 5 different venues in addition to 12 judging assignments being necessary for the two judges being asked to judge a licensed AKC trial. We were especially concerned about the issue when a first time judge was teamed with a senior judge. We also wanted to know, who, if anyone, was actually checking on these requirements. The AKC record "summarize" judging assignments, but does not "summarize" venues. The method to track venues is to open the judge's past record and look at each listing. (AKC.org/Events/Judges Directory/). A question was raised about the term "venue". Did it mean a single physical location or was it each individual trial during that weekend? Or, in the case of a three day field trial event of two opens and an amateur, could that be a single venue or three? A discussion followed about the original intent of this criteria. We also questioned if venues were even important for local trials. The concern was that, in theory, someone could judge four three-day events and become a Senior Judge. One of our members stated that if we make it harder to secure judges, we will run into the same problem as the Springers with its 400 mile rule.

Motion: Dennis moved to change the venue requirement from 5 to 3. Deb seconded it. A vote was taken and approved unanimously.

However, we did concur that the term "Venue" needed to be defined. We decided for the Judges Criteria, the term *"different venue" would be defined as an event that has occurred in different seasons and/or different*

geographical location. The FTC felt that this would help to simplify the judging selection and a trial club could still have a 12-point senior judge, co-judge with a new inexperienced judge.

Motion: Terry made a motion to accept the Judges Criteria as amended and corrected. Pete seconded. A vote was taken and approved unanimously.

The Judges Criteria to judge a National Championship that now reads “*of which three (3) must be AKC Cocker Spaniel Field Trial Championship stakes in two separate venues*” is under review by the FTC to determine if the term venue will be replaced by the word “regions”.

B. Compilation of Judges List: Tom Meyer at the AKC informed us that while the AKC would like to help us, they will not release their database. We currently have a basic list combined from the work done by Dawn Shuster and Vicky. It is being updated using the springer list kept by Jan Johnson. We have attached this preliminary list at the end of these Minutes for **Each Of You to Review**. We request you supply us with your name and judges number if you’ve judged a trial that is not listed. Further, we would like to add the names of individuals not listed that have completed their Apprenticeships and Seminars. Please give us the approximate dates, as we’ve found that not all of the information on AKC is current.

Once this list is updated, we will ask to have it posted to www.fieldcockers.com so the Field Trial committee will have a quick reference of judges they can use to easily pair less qualified individuals with those of more experience. Also, we will have a quick and easy reference of those that have apprenticed and/or passed the Judges Seminar. Vicky noted that we are now requesting each field trial club to submit, in addition to the placements from their field trial, the names of the judges that actually judged their trial. We will ask Nadine to post the judges names along with the results on www.fieldcockers.com. We agreed that when someone completes their apprenticeship and seminar, it will be their responsibility to contact the FTC so we can update the list. We discussed naming an individual to take responsibility and voted to ask Dawn Schuster to help us with this.

C. Gun Committee: We reviewed the discussion of our Gun Committee from the prior meeting. We discussed enlarging the Gun Committee with regional representatives, similar to the Springer Gun Committee. Several names have been submitted to the FTC to be included on the Gunning Committee, but before we enlarge the committee we want to define its responsibilities. We briefly discussed Education (Gunning Seminars), Guns’ Approval, Gun Captain Approval, Supervising, Mentoring, Enforcement. We, also discussed each region being represented must have at least 4 field trials in its area each year. We are considering each region having 2 individuals, one senior the one junior.

A question was raised about the criteria being used to become a new gun captain and was it being followed. It was mentioned that many clubs tend to use the same gun captain over and over again because they are reliable and do a professional job. Our members expressed a need to develop more young guns. We want to encourage gun captains to invite qualified, inexperienced guns to become part of a gun team. A question was asked if Hunt Tests (outside of FTC jurisdiction) should fall under the gun committee (because of the need for safety at their events.) And, since many of the new guns are developed at Hunt Tests, it might be good place to mentor new guns. Mike will forward the current information we have about the Gunning Committee responsibilities to the FTC. Both Mike and Terry will work on developing an outline for the Gunning Charter.

V. Old Business: Vicky requested the ideas below be written and circulated to the committee prior to the March 8th meeting.

Individuals that have never judged an AKC Championship Stake and wish to judge Cocker Spaniel Field Trials must:

1. Attend and complete the Spaniel Field Trial Judging seminar prior to apprenticing at a field trial.
(Amended 1/26/16 pending ECSCA BOD approval.)

2. Complete two Apprentice Judging Assignments under two different AKC Senior Judges at two AKC Championship stakes with prior approval from the local Field Trial Committee. An AKC Senior Judge is defined by the AKC as a spaniel judge with 12 or more points. The Senior Judge must also agree to the assignment. If the Apprentice candidate has proved to the Senior Judge that they grasp the fundamentals for judging, the Senior Judge will fill out the AKC Apprentice form to be submitted to the AKC for recording purposes and an additional copy sent to the FTC Chairman. (Amended 2/9/2016 pending ECSCA BOD approval)

The Apprentice Judging Program is an excellent way to develop prospective judges. Local clubs are encouraged to take advantage of mentoring new judges or judges with less experience by pairing them with Senior Judges that have had extensive field trial experience. This sharing of knowledge fosters and develops a prospective judge's insight before judging on their own.

Only new individuals interested in judging are required to attend the Field Trial Judging Seminar and apprentice with two Senior Judges. Individuals with prior AKC Championship Field Trial Spaniel Judging Points are grandfathered into qualification.

National Cocker Championship (NCC) Judges selection criteria is as follows:

In addition to the judging criteria for Cocker Spaniel Field Trials, individuals being considered for NCC Judges must:

1. Have judged a minimum of twelve (12) AKC Championship Spaniel Field Trial stakes, of which three (3) must be AKC Cocker Spaniel Field Trial Championship stakes in two separate venues. (Amended 1/26/16 pending ECSCA BOD approval.)
2. Have completed an AKC Field Championship Title on a spaniel or shared in the handling of a spaniel earning points towards a FC or AFC title.
3. Have actively handled a spaniel in an AKC Championship Stake in the past three (3) years prior to the NCC they would be judging.

Cocker field trial judges should have experience and knowledge in Cocker Spaniel handling, training, or prior judging assignments to enhance the judging panel.

It is essential that judges be of the highest standard possible, active in all phases of Spaniel training, trialing and handling.

Preliminary Judges List

Please check the following list to see if you need to add your name or edit the number of trials you've judged. If you have apprenticed or attended a Seminar, please forward the following information: Your Name, Judge Number, phone, and email to gigvicky@aol.com.
